

1 **Rule 9024. Relief from Judgment or Order**

2 Rule 60 F.R.Civ.P. applies in cases under the Code
3 except that (1) a motion to reopen a case under the Code or
4 for the reconsideration of an order allowing or disallowing
5 a claim against the estate entered without a contest is not
6 subject to the one year limitation prescribed in Rule 60(c),
7 (2) a complaint to revoke a discharge in a chapter 7
8 liquidation case may be filed only within the time allowed
9 by § 727(e) of the Code, and (3) a complaint to revoke an
10 order confirming a plan may be filed only within the time
11 allowed by § 1144, § 1230, or § 1330. In some
12 circumstances, Rule 8008 governs post-judgment motion
13 practice after an appeal has been docketed and is pending.

Committee Note

This rule is amended to include a cross-reference to Rule 8008. That rule governs the issuance of an indicative ruling when relief is sought that the court lacks authority to

grant because of an appeal that has been docketed and is pending.
